WILLIAM
SHAKESPEARE

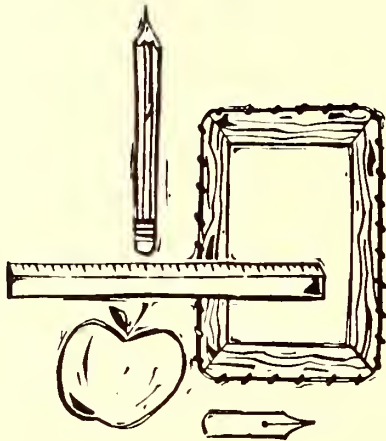

THE LADY WITH THE LAMP

Lo! in that hour of misery
A Lady with a lamp. I see
Pass thru the glimmering gloom,
And flit from room to room
And slow, as in a dream of bliss
The speechless suffer turns to kiss
Her shadow, as it fade
Upon the darkening wall
H.W. Longfellow

DEDICATION

WE THE YEARBOOK STAFF WOULD LIKE TO DEDICATE THIS YEARBOOK TO THE PEOPLE WHO MAKE LIFE AT SCHOOL A LITTLE EASIER. THEY TAKE OUR PHONE MESSAGES, ANSWER QUESTIONS, DIRECT US TO THE RIGHT PERSON TO HELP US, AND THE NEVER ENDING ERRANDS TO OPEN DOORS AND RETRIEVE OUR LOST MONEY FROM THE POP MACHINE, AMONG VARIOUS OTHER THINGS. THEREFORE, WE ARE PROUD TO DEDICATE OUR YEARBOOK TO PHYLLIS GASTENT, SCHOOL SECRETARY AND DONNA HAWARTH, CLERK TYPIST. THANK YOU FOR ALWAYS BEING THERE WHEN WE NEEDED YOU!

REVIEW

SENIOR CLASS WILL

We, the Senior Class of 1982, do will and bequeath to the underclassmen our ability to "B.S." our way through 3 yrs. at LMC and to maintain our sanity by the time of graduation.
Good luck underclassmen!

DEFINITION OF A BAD DAY

You know it's a bad day when ...

- ... a Doctor takes you off the case.
- ... you get jumped for doing a poor care plan and it's not yours.
- ... your instructor ask you for your care plan and there is nothing on it.
- ... you get propositioned at the V.A..
- ... a female patient who has gone for lab work can't be found after she has been brought back to the unit and you find she was returned to a male patient's room. Is LMC going Co-Ed!
- ... your clinical instructor hears you call her name and she tries to hide.

You know it's a good day when ...

- ... your clinical instructor has ran out of questions for you.

LOOKING BACK

Remember when ...

- ... your nursing text book embarassed you?
- ... Ms. Mench drew her illustration of the male anatomy? How shocking!
- ... clinical was when a bedbath that took 2 hrs. to complete?
- ... the Class of 1982 had a little get-up-and-go instead of a lot of got-up-and-went?
- ... an I.M. injection was a traumatic experience?
- ... in Med.-Surg. class we were studying the different diseases and the entire class had the disease we were studying?
- ... we entered LMC as strangers and we are now exiting as a family, 3 yrs. sure went by fast!
